

Error Message: "The ' ' character, hexadecimal value 0x20, cannot be included in a name."

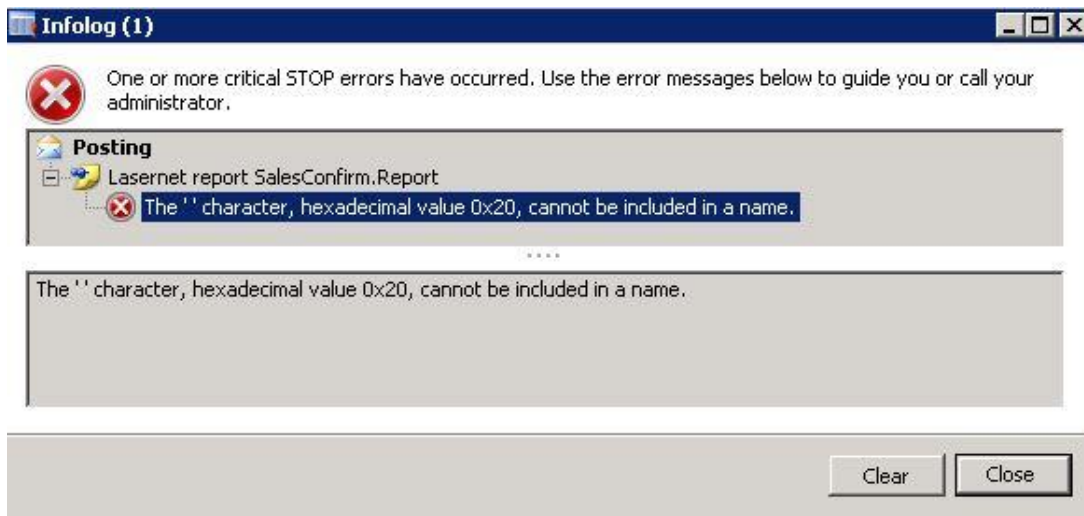

- 2023-12-06 - Comments (0) - AX 2012 FAQs

This article provides a solution for the following error message which may appear in AX 2012:

Error

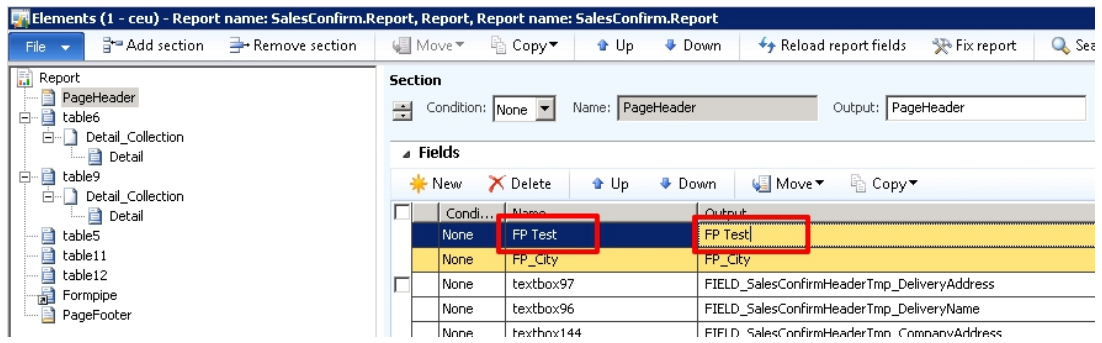

The ' ' character, hexadecimal value 0x20, cannot be included in a name, when printing to Lasernet.

Resolution

Follow these two steps to resolve the error:

1. Within Element on the giving report, look for an element with a space in the name.
2. Remove the space.
