

Webinar: Lاسernet 365 F&O Release Overview

2021-10-12 - Alex Clemons - Comments (0) - Formpipe Webinars

Lasernet for Dynamics 365

The following webinar has now taken place. Please click [here](#) to see the News article which gives a brief report of the webinar.

Tuesday 12th October 2021, 15:30-16:15 CEST

Prepare yourself for another excellent walkthrough of the latest release notes of the Lasernet Connector for Dynamics 365 for Finance & Operations.

The hosts of this webinar are as always our very own experts in Lascript for Dynamics 365 – Kim Franck Agerholm, Product Owner & Lead Dynamics AX Architect and Pernille Wichmann, Product Manager.

What are you waiting for? Navigate to the page below and use the form to sign up so you don't miss out:
