Lاسernet for Dynamics 365

Join Formpipe on March 14th 2024 as we host our first webinar of the year, dedicated to unveiling the updates and functionalities of the latest release of the Lاسernet Connector for Dynamics 365 Finance and Operations: version 6.20.

The session will be led by Kim Franck Agerholm, our Product Owner of Lاسernet's FO & CE Connector, and Pernille Wichmann, our Product Manager for Lاسernet's Dynamics Connectors.

During this interactive online event, attendees will be introduced to:

- The latest advancements and capabilities featured in version 6.20.
- Practical demonstrations and recommended strategies for using Lاسernet in version 6.20.
- An open forum for live questions and answers.

This webinar is perfectly suited for professionals involved with, or interested in implementing Lاسernet solutions in their Dynamics 365 Finance and Operations environments, including both partners and direct customers.
